SIR,

I have the honour to state that the Assistant Comptroller while auditing the accounts of the Nanjangud Town Municipality for the year 1930-31 has placed a sum of Rs.6/- under objection stating that this item requires sanction of Government to admit this expenditure in audit. It is reported that this sum was spent in connection with feeding men of the Sanitary Department who had come for repairing the Water Supply Engine and Pump as the water works at Nanjangud failed on 23rd May 1931.

The President also reports that the water works are situated a mile off from the Town and that the fitters and workmen from the Sanitary Department had to be supplied with food at the work spot at the cost of the Municipality to enable them to complete the work quickly.

An extract of the audit objection statement and a copy of the resolution of the Municipal Council in this behalf are herewith sent It is not possible to recoup this amount. I therefore request sanction of Government may kindly be obtained for the expenditure incurred as a special case.

P.T.O.

special case.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mysore District.
